

YEMISI SHYLLON  
**MUSEUM OF ART**  
PAN-ATLANTIC UNIVERSITY

# FRIENDS OF THE YSMA

The **Friends of the YSMA** are an important part of the fundraising mix of the museum. They provide unrestricted funds on a regular basis for the development of educational programmes for school students, annual exhibitions at the museum, research, social initiatives/projects for surrounding communities, and the general sustenance of our operations as an organisation. The arts are an essential part of healthy, sustainable communities. By becoming a **Friend of the YSMA**, you make a vital commitment to community life.

We invite you to join our growing community of friends and become an invaluable part of our mission of being of **SERVICE TO THE SOCIETY** and **MAKING AN IMPACT** on our audiences today. Our members have access to free admission into the museum, exclusive communication materials, opportunities to network with like-minds, as well as more new and exciting opportunities offered only to friends of the YSMA.

We have FOUR levels of support, with an increasing set of benefits and recognition, outlined on the following page.
